| Battery 20%~39% | ● ○ ○ |
| Battery 0%~19% | ◎ ○ ○ |

| Battery Capacity | Back LED Behavior (charging) (●: ON, ○: OFF, ◎: Blinking) |
|------------------|--|
| Battery 100% | ● ● ● |
| Battery 75%~99% | ● ● ◎ |

| | |
|--------------------|---|
| Battery 40%~74% |  |
| Battery 0%~39% |  |

5.Safety Instruction

1. Do Not stare at the head of the LED, LED lights may be harmful to your eyes.
2. It is recommended to use only FL-210 included Type C cable for FL-210.
3. Avoid exposing FL-210 to fire and other direct heat sources, including hair dryers, microwave ovens and other appliances.
4. It is recommended that you do not disassemble the unit for any reason.
5. Do not force objects into your device connection or button. If the connector is not easily inserted, it may not match.
6. Do not use spray cleaners on your FL-210, as this could damage the system.
